

## Anna Garden Club

The Anna Garden Club was organized in 1995 as a way to beautify the Village of Anna. The Club members plant and maintain flowers at various locations including the Corporation limits, the Village Park, and on Main Street with large pots and hanging baskets. Fundraisers include bulb sales, Christmas Greenery sales, and Cow Chip Bingo (held during the Anna Homecoming). Persons interested in joining the Club or in supporting the Garden Club's efforts are encouraged to call Julie Ehemann at 394-7664.
